GENERAL

LEGISLATIVE MATTERS

1. The Civil Aviation Regulations Committee (CARCOM) at its meeting on Friday, 20th May 2016, authorised the chairperson to publish the following proposed amendment to the Technical Standards in accordance with NAMCARs 11.03.2(1)(b):

“Notice of proposed amendment:

NAM-CATS-GMR Part 43.02.6 (1.11(4)) is amended to read as follows:

(Note: Words in **[bold brackets]** for deletion;

Words _____ (underlined) for addition).

(a) “The engine overhauls specified in Appendix 1 of this schedule are mandatory for all aircraft **[not classified exclusively under category (f) (Private Category),]** and must be executed in accordance with the manufacturer’s current manuals and recommendations, not later than the times shown, except for aircraft in respect of which an application for issue, renewal or amendment is for the private category (f) (exclusive use).”

(b) Notwithstanding paragraph (a) above, aircraft in respect of which an application for issue, renewal or amendment is for the private category (f) (exclusive use), and where the engine of such aircraft has reached 1800 hrs flight time, or exceeded such hours, such engine shall be overhauled.

(c) Aircraft in respect of which an application for issue, renewal or amendment is for the private category (exclusive use), shall comply with airworthiness directives **concerning engine overhauls** as may be issued by the Director from time to time.

2. In accordance with NAMCARs Part 11.03.2 (2) this notice enables “any interested person” to submit written comments to the chairperson mentioned herein-below *not less than 30 days from the date of publication of this Notice.*
